Height	2295 mm

* All figures are approximate only.

Five Star portable function toilets have outstanding features such as

- Fresh water flushing
- Smooth, sleek styling
- Hand washing station built in
- Interior lighting

Your Five Star toilet will also come stocked ready for use with our:

- Spray hand soap dispenser
- Toilet seat sanitizer
- Toilet paper (eqv 5 rolls)
- Odour control unit

We supply each toilet stocked with consumables ready for use.

Placement of portable sanitation equipment is important for it's serviceability for both your patrons and our service team. Instant Toilets can advise you as the correct number of units required to meet Health Department regulations along with a suggested placement of the units for the comfort of your patrons.

CLEANING & SERVICING

Instant Toilets can provide servicing staff for the duration of your function or event to ensure a high quality of sanitation is maintained. Servicing of the units (waste removal) can also be scheduled at regular intervals to ensure maximum performance of our units.
