

ONSITE CLEANING SERVICES

Your onsite facilities should not look like these....

Instant Toilets offers onsite cleaning services for any type of site building. If you hire buildings for your sites and require any of the following services then let us provide a competitive quotation for you.

Our onsite services include

- Site Buildings
- Ablution block cleaning
- Portable toilet cleaning
- Waste removal from portable toilets and waste holding tanks
- Supply of consumables - toilet paper, hand towels, soaps, sanitisers

Don't let your onsite facilities become an OH&S issue.

Regular cleaning will ensure this does not happen.
